**\*\*Note: Holster Rest recommendations are based upon utilizing a [By My Side Suede holster](#). Some Small and Medium frame guns may require using a Wide Holster Rest based upon the type of holster utilized i.e. padded nylon, smooth thick leather and By My Side Holster's Bullhide and Slide Holsters. **Ultra Grip Holsters will only work in the Standard Holster Rest**. If your gun requires a Wide Holster Rest you cannot use an Ultra Grip holster in a Standard Holster Rest. All dimensions are based upon available information. Some dimensions may have changed due to manufacturer changes.**
